Chilean Wine Tasting

FRIDAY 26TH MARCH

7.00-9.30pm

THE WINES OF CHILE

(Includes wine tasting and a light buffet)

This will be an informal, humorous and fun evening of tasting and learning about wine and how to taste it. Chile has been described as a paradise for vines as various factors combine to make near perfect growing conditions that produce wonderfully fruit filled wines. We will be looking at a wide range of styles including mouth watering whites and rich reds made from the Pinot Noir, Merlot and Cabernet Sauvignon grape varieties plus a classic premium Chilean blend. A good time guaranteed for all!

Places are limited so booking is essential.

£19.95 per person.
